- Formal training or Education in the Janitorial or Cooking industries is an asset
- Education in related field
- WHMIS certificate
- Must have reliable transportation to and from Residence Homes

SKILLS AND EXPERIENCE REQUIREMENTS:

- Knowledge of cleaning supplies and equipment
- Effective time management and good organizational skills
- Residence in the community and Knowledge of local culture and language an asset
- Must know client assessment, proper home care techniques (house cleaning, meal preparation, personal hygiene)
- Ability to follow schedules
- Willing to successfully undergo a criminal record check

DUTIES/ RESPONSIBILITIES:

- Prepare meals and snacks for the client, and clean dishes
- Perform household services essential to remaining at home
- Deliver services in an appropriate, caring, and respectful manner and according to policies and procedures
- Thoroughly complete proper records, timesheets, and other documentation
- Attend and participate in scheduled orientation and in-service training, and educational classes
- Respect clients' property rights, maintaining clients' rights to privacy and confidentiality
- Follow established safety precautions in the performance of all duties and report all accidents and injuries
